Markhaven Home for Seniors, is a charitable, non-profit, long-term care facility in Markham. Since its inception in 1960, our 'Little Home with Big Heart' has earned a reputation of providing excellent care for seniors and those requiring long-term assistance. We provide 24-hour nursing care and assistance with daily-living activities and individualized care planning. We strive to enable residents to find meaning and joy in life while maintaining a high level of dignity and individuality.

1. PLEASE SPONSOR OR DONATE TO MARKHAVEN'S COLOURS OF AUTUMN FUNDRAISER

Markhaven receives generous annual support from the local community and businesses. This year, your support will help to upgrade and redecorate our Alzheimer's Unit including a tactile stimulation centre, revitalize our resident sunrooms, and purchase new hi/lo beds for our residents that provide greater safety and ease of use.
